FAO – Pupils of Howden C of E Infant School

'Investors in Pupils' Assessment

Howden C of E Infant School

Dear Pupils,

Thank you for inviting me to visit your school on Wednesday 6th February 2013 and well done for re-attaining the 'Investors in Pupils' award. I was really pleased to meet so many of you and very much enjoyed being shown around your school and talking to so many of you. Everyone was so proud of their school and all that you have achieved together.

I loved looking at the wonderful work you have done in each of the classes. I was particularly impressed with how you support each other including the use of Friendly Faces, Fruit Bunch and Eco Team. The use of many behaviour rewards, especially the "Always Children," has a clear impact on your positive behaviour and how you interact with each other and adults in the school. The 'Investors in Pupils' week and your work on investing in the Community has helped you to understand budgets and finance.

It was lovely to talk to so many of you and learn about the things you are doing to help your school and what you have worked on since your last 'Investors in Pupils' assessment. You have maintained your very good attendance at school and developed your individual targets. I really appreciated talking with the representatives from each part of the school and the tour helped me to see 'Investors in Pupils' in action across the school.

I know that you enjoy having targets to aim for; I know I do, so please carry on working hard, helping each other, and making the staff proud of you.

Thank you again,

Karron Young

'Investors in Pupils' Assessor
